

Artificial Intelligence

A Deep and Reality-Based Conversation about Human Intelligence and Consciousness

Krista Tippett

2019 Mimi and Peter E. Haas Distinguished Visitor

The Mimi and Peter E. Haas Distinguished Visitor Program is a 10-week residency that brings to Stanford prominent individuals whose lives and careers have had significant public impact and who have distinguished themselves in one or more forms of public service.

IN CONVERSATION WITH

Jerry Kaplan

Strategic Director of the Stanford Center on Democracy, Development, and the Rule of Law

Mehran Sahami

Professor and Associate Chair for Education and Director of Educational Affairs, Computer Science; Robert and Ruth Halperin University Fellow in Undergraduate Education

Thursday, February 14 | 4:30–6:00 pm

Tresidder Union Oak West Conference Room | Stanford University

The event is free and open to the public; RSVP: bit.ly/KristaTippettStanford021419

Krista Tippett is a Peabody-award winning broadcaster, National Humanities Medalist, and *New York Times* bestselling author. She founded and leads The On Being Project, hosts the globally esteemed *On Being* public radio show and podcast, and curates the Civil Conversations Project, an emergent approach to conversation and relationship across the differences of our age. Her *New York Times* bestselling books include *Becoming Wise: An Inquiry into the Mystery and Art of Living*, and *Einstein's God: Conversations about Science and the Human Spirit*.
